

How to get access to PPK at inPZU?

Description of the first login to the PPK account in the inPZU website

STEP 1

Go to inpzu.pl website

Select the **LOGIN** button in the upper right corner of the screen.

STEP 2

In the “Access to your PPK or PPE account” section, select the **FIRST LOGIN** button.

STEP 3

Enter your **LOGIN NUMBER** and **PESEL** number

We sent to you the **LOGIN NUMBER (login)** along with the welcome letter to your e-mail address or mailing address.

→ If you did not receive your login number, please contact our **contact center** at **22 640 05 55**.

→ If you do not have a PESEL number, enter your **date of birth**.

REMEMBER!

The first log-in to your PPK account on the inPZU website can take place in several ways - depending on whether your employer has provided us with your contact details and, if so, what they are (phone number alone or also your e-mail address). The system itself will identify the correct login process for you. In some cases, additional steps will be required, such as ordering one-time authorisation codes. Please refer to the following login paths.

If your employer provided us with your mobile phone number

STEP 4A

Create your own password to PPK account

The password should consist of at least 8 characters and should contain at least one upper case letter, lower case letter and a digit or special character. ←

STEP 5A

Confirm the created password with the authorisation code sent to you in an SMS. We will send the authorisation code by SMS to your mobile phone number provided to us by your employer. When you enter the authorisation code sent via SMS, the system will confirm the correctness of the created password.

 If you did not receive an SMS with the authorisation code please contact our contact center at **22 640 05 55**.

STEP 6A

Login to your PPK account in the inPZU website using the LOGIN NUMBER and the password you created ←

Remember! After creating your own password, login to the PPK account in the inPZU website in the “Login to inPZU client account” section. Enter login details: Login (login number) and Password that you have created.

STEP 7A

Accept website terms and conditions and declarations

When you login, you will be asked to accept the terms and conditions of the inPZU website. Please read them.

 You will then be asked to **accept the required declarations**. You can also select optional declarations and consents.

STEP 8A

Enter e-mail address ←
If your employer did not provide us with your e-mail address, the system will ask you to enter it. Authorise the **e-mail address entered by you with the code received in an SMS**.

Remember

If you do not have an e-mail address, you will not be able to receive confirmations of your instructions and periodic transaction statements in an electronic form.

If you do not receive codes sent by SMS please contact our contact center at **22 640 05 55**. Our consultant will check the correctness of the telephone number provided by your employer.

If your employer **did not provide us with your mobile phone number**

Remember

Each instruction you submit to your PPK account requires authorisation with a code sent in an SMS. We send the code to your mobile phone number.

STEP 4B

When you enter your login number (login) and PESEL (or the date of birth), the system will inform you that **you must enter your mobile phone number**.

You can do it in 2 ways.

- 1 **Order a list of one-time codes** by clicking the “Order a list of one-time codes” button. After receiving the codes, you will be able to authorise the instruction to provide your mobile phone number using one-time authorisation codes.

We will send the codes within 2 business days to your mailing address assigned to your PPK account. You can check the mailing address provided to us by your employer by calling to our contact center at 22 640 05 55.

- 2 **Update your mobile phone number with your employer**

If you decide to update your mobile phone number with your employer and the employer sends us your instruction electronically **by 15:00**, you will be able to login to your PPK account again on the next business day. If the employer sends us your instruction **after 15:00**, you will be able to login to your PPK account again on the second business day after submitting the instruction to the employer. If you submitted an instruction in a paper form, we will execute it when we receive it.

STEP 5B

Start logging in to your PPK account for the first time again

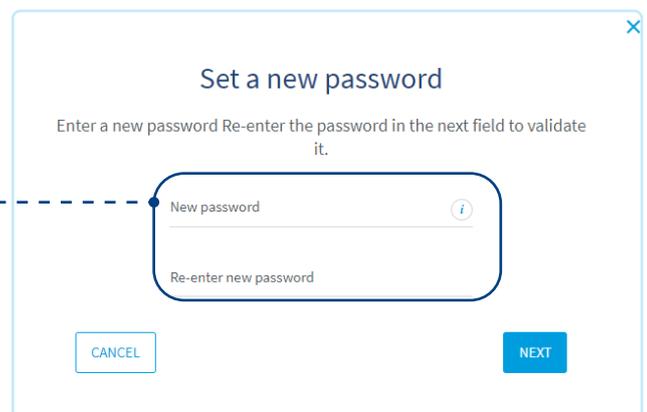

When you receive a list of one-time authorisation codes or submit an instruction to add a telephone number to your employer, start the first login to the PPK account again in accordance with **Steps 1-3**. The system will check whether a mobile phone number has been assigned to your PPK account or whether you have ordered one-time authorisation codes and you can enter your mobile phone number yourself.

- ✓ If you have updated your mobile phone number with your employer, follow the above **Steps 4A-7A**.
- ✓ If you received one-time authorisation codes, enter your login number and PESEL number. When the system checks that you have already received a list of one-time codes, you can create your own password to PPK account. Follow **Steps 6B-12B** below.

STEP 6B

Create your own password to PPK account

Password must be at least 8 characters and should consist of at least one uppercase letter, lowercase letter, and a digit or special character.

Set a new password

Enter a new password Re-enter the password in the next field to validate it.
